

WBENC - Certified Women's Business Enterprise

*Morrison Corporate Travel has been serving corporate travel since 1946.
As a private company we are uniquely positioned as one of only a few 100% woman-owned
travel management firms in the United States.*

We are proud to announce, our status as a WBENC-Certified Women's Business Enterprise (WBENC), certified by the Women's Business Enterprise National Council.

What this means to our Clients:

- With this certification we are now able to help your company fulfill its supplier diversity requirements.
 - The government has specific criteria that must be met in order to receive certification and be accredited as a women-owned business.
- 100% of the managed travel services provided by Morrison Corporate Travel will contribute to your supplier diversity goals.
- The government provides tax incentives for the businesses and corporations that work with WBENC accredited company's like Morrison Corporate Travel.
- Working with a woman owned business can help to further reduce tax liabilities in many cases.

Please contact us to learn more information about how we can assist your company to receive tax credit for supplier diversity and to receive a copy of our WBENC certificate for your company's tax records.
